Description			
Steps to reproduce: 1) download the game 2) open the game 3) start a new game. 4) click on the "new game" button 5) click on the "new game" button a second time			
expected result: New game should be started immediately after clicking on the new game button. actual result: New game button is stuck after clicking a few times one by one.			
Note: Sometimes button is a stack from the first click and sometimes after the second or third click.
