Description

Bug with filtr "Space section"

1. Press "Посёлки" and choose "Бежин луг"
2. Scroll full down
3. Choose " Район" for example " Истринский "
4. After this, the site open to us "filter" we can see it in the right corner of the display
5. Little bit scroll down and we can see "Space section"
6. If we press on some point in "Space section" nothing change

http://b-lug.ru/istrinskiy/area_5-10

Actual result: If we choose and press some point in "Space section" (Площадь участка) nothing will change

Expected result: If we press in " Space section" for example " 5-10 сот " the site must display to us the section which have 5-10 сот . If we press 30-40 сот , the site must display to us the section which have 30-40 сот
