Category:	Body	Estimated time:	0.20 hour
Target version:	Release	Spent time:	0.00 hour
Description			
Steps:			
1. Open the application			
2. Click the add aquarium button			
3. Enter an arbitrary aquarium name			
4. Enter "0" in the capacity field			
5. Provide the "Add" button			
https://gyazo.com/220bd78ebcd466ac9abd2219d584a949			
Expected result: validation of the "Capacity" field of the aquarium			
Actual result: an aquarium with zero capacity is added
